Penang Studies Collection

This folder contains titles on Penang available at ISEAS Library. This is an ongoing project which is a collaboration between SERI (Socio-Economic & Environmental Research Institute - Institut Kajian Sosio-Ekonomi & Alam Sekitar) of Penang and ISEAS Library, Institute of Southeast Asian Studies, Singapore. The project arose in response to a request by SERI to develop a Penang Studies Collection at the ISEAS Library. SERI will regularly send their publications for inclusion in the Collection. Comments are welcome. Please let us know of any gaps, or suggestions of titles. Deposit or donation of titles not in our collection is welcome. Contact: iseaslib@iseas.edu.sg

This list is compiled from the ISEAS Library's online catalogue *SEALion*. It is in two parts, formatted as a bibliography according to types of materials and subject. It includes all languages that the Library collects. Part I contains titles on reference resources and general books. Part II contains journals and newspaper titles and journal articles. This list is updated on the first working day of every month.
