

Updates on the ASC project on use of ICT for ASEAN coordination and community-building: Bangkok Roundtable

Dr Pavin Chachavalpongpun, Lead researcher for Political and Strategic Affairs of the ASEAN Studies Centre, attended on 30 April 2010 in Bangkok the sixth roundtable on the use of ICT to improve ASEAN coordination and promote regional community-building. This roundtable was co-organised by the ASEAN Studies Centre, Ideacorp of the Philippines, and Thailand's Ministry of Foreign Affairs and the National Electronics and Computer Technology Centre (NECTEC). Similar ones had been held in Yangon, Singapore, Jakarta, Bandar Seri Begawan and Manila. The participants in the Bangkok roundtable included officials from the Thai Foreign Ministry, NECTEC, representatives of the ICT industry, academics and members of non-governmental organisations.

The next roundtable will be held in Phnom Penh on 3 May 2010.
