

## **ASC Head Meeting with Asean-Korea Centre in Seoul**

ASC Head Rodolfo Severino visited the ASEAN-Korea Centre in Seoul while on an exchange visit organised by the Korea Foundation. The Korea Foundation conducts exchange activities between the Republic of Korea and countries around the world, to foster global friendship and promote a better understanding of Korea in the international community.

Mr Severino also had meetings with representatives of the Institute of Foreign Affairs and National Security, academics from Seoul National University and the Korean Institute of Southeast Asian Studies, and the New and Renewable Energy Centre.

Mr Severino was in Korea together with Dr Johan Saravanamuttu, Visiting Senior Research Fellow at ISEAS, who represented ISEAS in the exchange programme.
