

THE WANG GUNGWU VISITING FELLOWS PROGRAMME

The **Wang Gungwu Visiting Fellows Programme** honours Professor Wang Gungwu, former Chairman of the Board of Trustees at ISEAS – Yusof Ishak Institute (ISEAS) for his distinguished tenure of 17 years and for his key contributions in nurturing a strong culture of research excellence at ISEAS.

The programme aims to build the next generation of scholars and policy makers exploring the nexus of big-power relations and its impact on Southeast Asia, through policy relevant and contemporary research on international politics and security, regional economics and digital technology, in the following priority areas of research:

Developments in US-China relations and their impact on Southeast Asia

Asia Pacific Security issues i.e. South China Sea, China-ASEAN relations

Progress and prospects of global/regional economic cooperation initiatives like the Belt and Road Initiative and the Regional Comprehensive Economic Partnership

Rise of China and its impact on Southeast Asian communities

Use of digital media and technology by countries to further their interests and influence perceptions in Southeast Asian countries

For: Pre-and postdoctoral research fellows and mid-career policy makers

Duration: Minimum of 2 months, up to a period of 6 months. Successful applicants are expected to be in residence at ISEAS for the duration of their fellowship.

Expected Outputs and Publication Opportunities

Wang Gungwu Visiting Fellows are required to contribute to *ISEAS Perspective* and *Fulcrum Commentary* publications in the priority areas of research and provide a presentation in an in-house seminar on their research findings for the duration of their fellowship.

Stipend and Benefits

The **Wang Gungwu Visiting Fellows Programme** offers successful applicants a fixed monthly stipend (inclusive of a housing subsidy) for the duration of their fellowship at ISEAS and a round-trip economy airfare between their home base and Singapore.

As a Wang Gungwu Visiting Fellow, you will be invited to a meeting with Professor Wang Gungwu during the duration of your fellowship.

Successful applicants will enjoy access to an office space, computer equipment and IT services, ISEAS Library and all other facilities at ISEAS.

Proposals for partial/full cost-sharing will also be considered.
